

**TO PREPARE YOU FOR YOUR FIRST THERAPY SESSIONS BACK  
WE HAVE SOME NEW PROTOCOLS IN PLACE FROM OUR MEDICAL BOARD**

1. Please text your therapist when you arrive and wait in your car until you are instructed to enter the office safely.
2. Please bring a mask with you for your appointment. You will not be allowed to enter without a mask. State Medical Board requires us both to wear a mask the entire time of your session.
3. Do not bring any extra people with you to your appointment.
4. Upon entering we will ask to sanitize your hands or wash them. This is not a suggestion, but mandatory by State Medical Board. Then you will be escorted to your treatment room. We will also take your temperature and log it on your mandated forms.
5. Please do not touch any retail in the office.
6. The Bathroom will be available for emergencies. All areas clients are in or touch have to be completely sanitized.
7. All Clients must be 6 Ft from each other, except from your therapist at treatment time.
8. We ask all clients to keep their Mindbody account updated with payment information so we can have contactless payment transactions.
9. We have the right to turn away any client not willing to follow the State Medical Boards Mandatory Requirements for us to be back in practice.
